

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Major Pharmaceuticals is recalling Carbidopa & Levodopa Tablets to the Retail level. This recall was initiated due to an observed packaging defect, where the blister packaging may be inadequately sealed. Since Cardinal Health Private Label purchased the Carbidopa & Levodopa lot to repackage, it is necessary for us to recall the repackaged Assist bags of 10s repackaged from the affected lot. This item was first shipped 1/18/2023. This recall affects the lots listed below remaining in distribution.
