

*The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.*

Glenmark Pharmaceuticals Inc. USA is extending the August 2021 recall of Arformoterol Tartrate Inhalation Solution 15 mcg/2 mL (the "Product" ) to the **Consumer Level**. This recall is due to a lack of assurance of product sterility discovered after a review of the manufacturing facility's microbiology laboratory controls/processes and is being extended as a precaution to promote patient safety.
