

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This notice is to inform you of a product recall involving:

<b>Product Name</b>	<b>Package Description</b>	<b>Lot Number</b>	<b>NDC Number</b>	<b>Expiration Date</b>
Cequa™ (cyclosporine ophthalmic solution), 0.09%	6 pouches x 10 single-use vials (0.25 mL each)	10006	47335-506-96	01/2022
		10009	47335-506-96	03/2022

Sun Pharmaceutical Industries Inc. has initiated a recall of this product to laboratory results that indicate a lower than expected assay and elevated levels of particulate matter for Lot 10009. In addition to Lot 10009, Lot 10006 will also be recalled out of an abundance of caution as is manufactured using the same process, although there are no out of specification laboratory results at this time. Sun initiated shipment of this product on August 26, 2020.

This recall should be carried out to the retail level.
