

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

Vivus LLC has initiated a recall for Pancreaze® (pancrelipase) delayed-release capsules. This recall has been initiated due to the product falling below the lipase lower limit of stability specification of 90% label claim. Use of this product may reduce the product's capacity to effectively digest lipids.
