

The Board of Pharmacy has received notice of the following product recall. The Board strongly encourages pharmacies to immediately review their quality assurance and recall policies and procedures to determine if any corrective action is required.

This letter from McGuff Compounding Pharmacy Services Inc. is to inform you of a drug recall involving:

PREPARATION: Thiamine HCL 100 mg/mL + Riboflavin 1 mg/mL 30mL MDV

LOT NUMBER(S): 22J2401

This recall has been initiated due to the possible appearance of foreign matter in the vials. Use of this preparation may be a risk to patient safety if the foreign matter is present.

Our records indicate we had dispensed this medication lot to you. Immediately examine your inventory and quarantine preparation subject to recall.

If you have stock of the above listed lot, please discontinue use and return all units to McGuff CPS for a full credit. Please email or call the toll free number listed above for specific instructions on how to ship the preparation to McGuff CPS without expense to you.

If you do not have stock of the above listed lot, please print, sign and date the declaration listed below and email it back. Alternatively, you may reply to this email. Returning the declaration promptly will allow us to complete this recall without further intervention.

Please complete and return the enclosed response form as soon as possible. If you have any questions, call our pharmacy at 877-444-1133 and speak with a pharmacist.
